**Field VISIT REPORT**

A field visit to Leghapani, Toranmal, and District Nandurbar was organized by R C Patel Institute of Pharmaceutical Education and Research, Shirpur on Tuesday, 25th December 2018. Thirty one students and six faculties visited to Leghapani, Toranmal to interact with Tribal Healer Mr. Chandrasing Choudhari and to study In- Situ identification of medicinal plants of Toranmal flora. In this visit students were very eagerly waiting for listening to Mr Chaudhari, as they were able to observe the plants from its cultivation place.

The journey was started early morning at 7.30 AM from RCPIPER, Shirpur and reached at Leghapani, Toranmal at about 11.00 AM. Students and the faculty member continually followed Mr Chaudhari during the visit for different plants and their vernacular name and its uses as crude drug in different disease conditions.

During this visit one medicinal plant garden at Toranmal was also visited. The medicinal plant garden visit was a very excellent opportunity to observe the various species of plants which are generally not observed such as *Bryophyllum pinnatum*, *Anacyclus pyrethrum*, *Elaeocarpus ganitrus*, *Morus alba* etc.

The visit was concluded with Question- Answer session and sightseeing at Toranmal. The visit came to an end at 3.30 p.m.

Return journey was started at 4.30 p.m. It was an informative, interesting and a successful field visit,

as students understand and observed the various different medicinal plants than that of prescribed in Pharmacognosy book. We also thank to our respected Principal and Management who motivated to arrange such an informative program. Lately we request you to arrange more Field visits in the future for the students which will be helpful for the students.
